

Angel Wings Shawl Pattern

Here's a shawl pattern I've written within the past month or so.

It's called the Angel Wings Shawl pattern and this name was chosen from about 50-60 names that were suggested to me than voted on by the amazing people over in Crochetville. My home away from home.

Julze's Easy/Quick Shawl

[Clickable](#)

Thursday Night Shawl Pattern

Materials:

Approx. 16 ounces of yarn of choice (more if yarn is bulky)

Size "J" crochet hook

Tapestry needle

Note: Any of the above is optional. That's just what I used.

Special Stitches: Beg Shell, Shell, V St

Shell: (2dc, ch2, 2dc) in space indicated in pattern.

V st: (dc, ch1, dc) in space indicated in pattern.

Note: When told to Shell in Shell, or V st in V st, that means to Shell in the ch2 space in the middle of the Shell st, or V st in the ch1 space in the middle of the shell st.

You will always Shell in the Shells, and V st in the V sts.

Make loop (magic loop or ch3, sl st in first ch to make loop)

Row 1: ch4 (counts as dc, ch1), (Dc, Ch1) 4 times, Dc in loop, turn. (5- ch1 spaces, 6 dc)

Row 2: Ch3, (dc, ch2, 2 dc) in next ch1 space, ch1, V st in next ch1 space, ch1, shell in next ch1 space, ch1, V st in next ch1 space, ch1, (2 dc, ch2, dc) in next ch1 space, dc in top of ch3, turn. (3-shell, 2-V sts, 6-ch1 spaces {including ch1 in V Sts})

Row 3: Ch3, shell in next ch2 space, *ch1, dc in next ch1 space, ch1, V st in next V st, ch1, dc in next ch1 space, ch1, shell in shell*. Repeat from *to*. Dc in top of beg ch3, turn. (3- Shells, 2- V sts, 10- ch1 spaces {including ch1 in V sts})

Row 4: Ch3, shell in shell, *(ch1, dc in next ch1 space) 2 times, ch1, V st in next V st, (ch1, dc in next ch1 space) 2 times, ch1, Shell in shell*. Repeat from *to*. Dc in top of beg ch3, turn. (3- Shells, 2- V sts, 14- ch1 spaces {including ch1 in V sts})

Row 5: Ch3, shell in shell, * ch1, dc in each ch1 space to next V st, ch1, V st in V st, ch1, dc in each ch1 space to next shell, ch1, shell in shell*. Repeat from *to*. Dc in top of beg ch3, turn.(3- Shells, 2- V sts, 18- ch1 spaces {including ch1 in V sts})

Repeat Row 5 until desired size. For edging you'll want to end with an even number of rows so shell edge will work out correctly.

Edging: ch1, turn, sc in first dc, 5 dc in shell, sl st in next ch1 space,* (3 dc in next ch1 space, sl st in next ch1 space) to V st, 5 dc in V st, sl st in next ch1 space, Repeat from (to) 1 time, 7 dc in shell, sl st in next ch1 space, Repeat from (to) 2 times, 5 dc in shell, sc in top of beg ch3.

Optional: If you'd like you can sc across the end of the rows.

Fasten off yarn. Weave in ends.

This pattern is for personal and charity use only. I'd appreciate if anyone interested in selling the finished product would email me.

Thanks!!
