

FLAT JESUS: "Lo, I am with you always, even to the ends of the earth"

INSTRUCTIONS:

1) Color Flat Jesus and cut him out. For durability, you may want to laminate him and/or attach a popsicle stick to his back for easy posing.

2) Take Flat Jesus with you wherever you go this summer: camp, the beach, business trips, doctor or dentist, post office, other churches, vacations, reunions, etc. (You can fold Flat Jesus and tuck him in a wallet, purse, or book!)

3) Take pictures of Flat Jesus "on location," by himself or with you (Jelfies=Jesus Selfies)!

4) E-mail photos of Flat Jesus to Pastor Holly (revcelt@gmail.com) and watch for them on the church facebook page (Look up "Phippsburg Congregational Church" on FB). You can also print out photos and bring them to church.

5) We will watch together to see all the places Jesus will go with you!
